## NORTH HOCKEY ASSOCIATION PRESIDENT'S MESSAGE

### Presidents' Message

Welcome to the new season and the expanded National League. Congratulations to Wakefield, Didsbury Northern, Timperley, Deeside Ramblers, Pendle Forest, Doncaster and Alderley Edge on getting teams into the new structure with Wakefield and Pendle Forest winning the North Leagues.

On the England Hockey front congratulations go to Bowdon whose Men's 1<sup>st</sup> XI won the Tier 1 (Old HA Cup) and North Conference. Congratulations are also due to the Women Over 60's and Men Over 70's who won their Competitions. In the Men's County Championship Lancashire won Division B.

This season will see also the new North League structure come in with one Committee (Joint Men's and Women's) overseeing both League structures and for the first time one set of rules. A lot of work has been done over a number of seasons and our thanks are due especially to Anne Bryant, Peter Cocker, Chris Reece, Annette Badger and Chris Darling for this.

Progress has been made with EH Governance review and a consultation paper "a Structure fit for the Future" has been produced giving recommendations on the way forward. Two Roadshows have been held in the North in late June and early July and the major recommendation affecting us is to split the North Region in two making North West and North East Regions. The consultation paper is online and feedback is requested by EH by 27th October. The final proposal will be out in November and voted on at the 17th March 2020 England Hockey AGM.

The new structure will be implemented for the start of 2021-2 season. I must stress that clubs should study the consultation paper and give feedback as it will affect them. I can say that the consultation paper was very well received at both Roadshows with the majority of people present being in favour.

I hope all will have an enjoyable and successful season.

John M Scrini

## NOTICE TO ALL CLUBS PLAYING UNDER THE JURISDICTION OF THE NORTH HOCKEY ASSOCIATION

The Rules which follow under the sections for NHML/NHWL are intended to provide

- a framework to guide the respective League Committee in its operation of the League.
- regulations for the conduct of games and the administration obligations required of its clubs, and
- the methods to be used in awarding league points and determining promotion and relegations issues.

Each club is expected to conduct itself with integrity, to help promote the good name of the league, and to fulfil its administrative obligations in an efficient and timely way. If it fails to meet these conditions or takes any action with the intention of gaining an unfair advantage or of unfairly disadvantaging another team then it is deemed to be in breach of the league regulations whether or not the specific offence is listed in the rules of the league. In these circumstances, it should be expected the league to impose an appropriate penalty.

For its part the league is expected to conduct its affairs efficiently, fairly, with consistency. It may exercise its discretion in applying the rules in particular circumstances and when not providing for matters not specifically listed in the rules. In imposing penalties, it will consider each offence on its merits and is expected to impose a penalty appropriate to the specific offence.

Clubs are expected to abide by the following:

- England Hockey Disciplinary Code. Full details of the Disciplinary Code of Conduct can be found on the England Hockey Web-site. Umpires are expected to be fully conversant with the Code of Conduct and have copies of the Red Card Report Form available whenever they umpire games.
- Duties of Match Delegates. These are reproduced later in this handbook.

#### 1 Name

The League shall be called the North Hockey League and must be so referred to in all correspondence and publicity in which the name of the League is used. It may have the name of a sponsor put in front of it.

#### 2 Jurisdiction and Authority

2.1 The NHL shall be under the direct jurisdiction of the NHA.

2.2 Admittance to the League of any club from outside the NHA Region shall be at the discretion of the NHA Council.

2.3 Each club, by its entry into the league, must agree to accept the jurisdiction of the NHA with regard to its administration of the League and shall be deemed to have given its consent to the rules of the league and to any amendments which may from time to time be adopted in proper form.

2.4 The committee has the powers to determine any matter not covered by these rules and may, at its discretion, waive, reduce or increase an applicable penalty and relegate any team which, in the opinion of the committee, fails to meet the standards demanded for hockey in the league.

#### 3 Composition of NHL

3.1 The league shall consist of fifteen divisions. All divisions shall provide for twelve teams and each team play every other on a home and away basis. Promotion will be by invitation and subject to approval by NHA.

3.2 Clubs from leagues within the region of the NHA may qualify for entry to the league and must be affiliated to their NGB, their Regional and County Association.

3.3 Any club may have no more than one team in a division other than in division 3 where up to 2 teams are allowed. To achieve this a 2nd or lower team may be denied promotion or be relegated to a lower league.

#### 4 League Management

4.1 The NHLMC consisting of the following: A Chairman, Secretary, Treasurer and Area Administrators appointed by Council together with an Umpires' representative nominated by NHUA. The Co-ordinator of each division and the "Fixtures Live" Coordinator(s) shall be members of the NHLMC.

4.2 The NHLMC shall have the power to co-opt additional members onto the committee but they shall have no voting rights.

4.3 An Emergency Committee of at least three members of the NHLMC may handle urgent problems.

4.4 The secretary of the NHLMC shall administer the league. If any decision the secretary makes is challenged by a club then the full NHLMC, or the emergency committee of the NHLMC shall decide the matter.

4.5 The treasurer shall be responsible for keeping and preparing accounts. Such accounts shall be presented by 30 April annually to the NHA treasurer who shall arrange an audit and present the accounts to the AGM of the NHA. The league treasurer and at least two other persons appointed by the NHLMC shall be mandated to sign cheques, use internet banking and to issue instructions for the bank account to be operated on behalf of the NHLMC.

4.6 The Committee cannot decide to implement a penalty other than those specified in the NHL rules unless the club concerned has had the opportunity to attend a hearing.

4.7 The NHLMC may call a meeting of clubs by giving at least 21 days' notice. One such meeting called "The Summer Meeting" must be held prior to 30th June each year for the purpose of reviewing the previous season and advising clubs of any changes for the following season. Every club should be represented at any such meeting. Clubs attending such meetings will receive a reduction of £80 per team in the following season's affiliation fee.

#### 5 Discipline

5.1 All matters relating to discipline shall be dealt with as laid in the England Hockey disciplinary regulations.

5.2 The England Hockey Code of Ethics and Behaviour as adopted by NHA and NHA Code of Pitchside Conduct apply to all Club Members, Spectators, Parents, Guardians, Coaches, Managers and Umpires and must be followed at all league matches. Contravention of these codes should be included in a report, if requested by the league secretary.

5.3 For each player or official on the bench who receives a red or yellow card, the team whose player or official received the card must remove a player from the pitch.

5.4 Any disciplinary action taken by the league will be reported to the county association of the club concerned.

5.5 A Club must report to the League Secretary any penalty imposed on a registered player as result of action taken against the player under the disciplinary regulations. Failure to do so could result in the playing of an ineligible player.

5.6 Players shall be subject to incremental match suspensions for yellow cards an individual accrues throughout the season. The league secretary and the relevant divisional coordinator will keep a record of yellow cards. However, the responsibility for applying suspensions rests with the player's club.

The following suspensions shall apply to each individual:

4 yellow cards in a season = 1 match suspension,

2 further yellow cards in the same season = 1 further match suspension,

2 further yellow cards in the same season = 1 further match suspension,

For each further yellow card thereafter in the same season = 1 further match suspension.

Any match suspension imposed as a consequence of this regulation shall take effect in the next NHL match following the match in which the qualifying yellow card was issued. In the event that a player is issued a red card subsequent to receiving a yellow card(s) in the same match, the yellow card(s) shall

not be counted for the purposes of this rule. The failure to suspend a player under this rule will be treated as the playing of an ineligible player and three points will be deducted. Note: See Rule 12.3 regarding yellow cards in EHL games.

5.7 Each club must supply a copy of its code of conduct and disciplinary code to the league secretary in advance of the season and this must be acceptable to the committee. Failure to provide documents at least 7 days before the first fixture of the season will result in the standard level fine being levied.

Note: See Appendix 1 for Hyperlinks for documents mention in 5.1 and 5.4 which contain some automatic suspensions.

#### 6 Administration Finance Fines and Penalties

In the event of non-payment by 30th November the team may be expelled from the league and any games played will be declared null and void.

6.3 Fines must be paid within 14 days of being notified. Failure to do so will result in the fine being doubled. If, after a further 14 days, the fine is still not paid, then further action will be considered by the NHLMC including whether the team's league status should be revoked and all results for that team removed from the table. The NHLMC may, at its discretion, taking a club's previous record into account, waive, reduce or increase an applicable fine.

17.5 The latest start times shall be 3.30pm other than from 1st November until 14th February when it shall be 2.15pm unless the club has an acceptable lighting certificate as set out in rule17.4.

17.6 Matches may be scheduled to start at 11.30am or earlier with the agreement of both the opposition and appointed umpires. In divisions 2 and 3 matches may be scheduled to start as early as 10.30 if the opposition have less than 50 miles to travel to the venue or otherwise by mutual agreement of the opposition and appointed umpires.

17.7 University Clubs will be required to play their fixtures on the designated league dates.

17.8 Each team must have a minimum of 7 players on the pitch before the match can commence.

18 Match Delegates

18.1 The home club shall appoint a responsible person to act as match delegate. If a club in the NHL fails to produce a delegate, then the umpires shall require the captain of the home team to nominate one of his team to stand down for the entire game and perform the duty. See hyperlink to The Duties of Technical Match Delegates

19 Team Sheets

19.1 Each club shall complete a team sheet and hand it to the match delegate 30minutes prior to the start time of the match. The match delegate shall record the match details on the match report form in black ink.

19.2 After the match the delegate shall arrange for this form to be signed and then returned, along with the team sheets, to the home club's representative who shall enter the result on the NHL on line fixture and registration system, currently Fixtures Live, within 60 minutes of the end of the match. The documents must be scanned, copied or posted to the divisional co-ordinator who must receive them by the following Wednesday. The home club must retain a copy of the match report.

19.3 There will be a standard level fine levied for any breach of Rule 19.

20 Postponement / Bad Weather Arrangements

20.1 Postponement of matches shall occur only in the event of adverse weather conditions or ground conditions (or non-arrival of the appointed umpire). In exceptional circumstances, the committee may grant a postponement and shall normally require clubs to submit their reasons for postponement in writing to the NHLMC secretary and divisional co-ordinator at least eight days before the date of the match. Exceptional means the unplanned events that do occasionally happen. The NHLMC will expect to see that at least 3 players are unavailable because of a commitment to an NHA or NGB event. This does not include Masters, Mixed, Veterans or Vintage Hockey, or social events.

20.2 In the case of bad weather, the home team should follow the following procedure. The home liaison officer or captain should ascertain the visiting team's and appointed umpires, umpire coaches and assessor's departure time from their home. If relevant this will take into account any planned overnight stay. The home liaison officer or captain must inspect the pitch before this departure time. A realistic view must be taken at this stage, including travel conditions. Enquiries should be made of any local meteorological office to confirm weather conditions for the next 24 or 48 hours. If the pitch is unfit and is likely to remain so the game should be postponed and the travelling team, umpires, umpire coaches and assessors informed before their departure times. This must be done by an answered phone call or acknowledged email with a confirmation of receipt.

20.3 Fitness of weather or ground conditions shall be decided as follows: Up to one hour before the designated starting time of the match by the captain of the first named team who must inform the opposition, the umpires, umpire coaches and assessors, the divisional coordinator and the NHUA appointment secretary. After that time the umpires shall decide.

20.4 An away team must agree to a match being postponed. In the event of the home team wishing to postpone a match the away team shall have the right to inspect the ground prior to a decision regarding postponement being reached. In the event of the away team exercising this right it shall be responsible for its own costs, any umpiring costs and any costs incurred by the home team as a result of any delay in the postponement.

20.5 The home club must e-mail or text the reason for the postponement of a fixture to the league secretary and the divisional co-ordinator by 8pm on the day of the postponed match.

20.6 There will be a standard level fine levied for any breach of rule 20.2 and 20.5

21 Match Rearrangement

21.1 A postponed fixture should be replayed within 15 days. Within 7 days of the postponement the clubs must either fix a date for the rescheduled fixture within the 15-day period or agree to submit the decision to the NHLMC secretary and divisional co-ordinator. Both clubs must report the outcome by e-mail within 24 hours of agreement to the NHLMC secretary and the NHUA appointment secretary. In the event of a dispute over fixture dates between clubs, the NHLMC secretary or divisional co-ordinator may designate the venue and the date on which a fixture shall be played. A club not reporting will have 1 point deducted.

21.2 If, on the day scheduled for a re-arranged fixture, the home team's pitch is unfit, the away team shall be entitled, if it has a pitch available and fit for play, to require the 'home' team to travel and play the fixture on its ground, provided that the umpires and other team can make suitable arrangements for travel or for their replacement.

22 Abandonment

22.1 In the event of a match having to be abandoned as a result of serious injury to a player or of adverse weather conditions the home club shall inform the divisional coordinator of the abandonment to update the NHL on Fixtures Live and registration system, currently Fixtures Live. A report shall also be submitted by the umpires to the NHLMC secretary and divisional co-ordinator by email. The NHLMC shall decide on the action to be taken. Such a decision may necessitate a replay of the fixture depending on the circumstances at the time of the abandonment. In the event of a replay the new date shall be arranged by the clubs in accordance with Rule 21.

23 Failure to fulfil fixtures

23.1 A team not fulfilling its league fixture on the set date shall incur a 3 point penalty unless the match has been postponed – as set out in rule 20. The fixture should be re-arranged in accordance with rule 21 unless the NHLMC decides otherwise. The offending team shall meet any reasonable expenses incurred by its opponents including pitch costs.

23.2 A team failing to fulfil the re-arranged fixture will be deducted a further 6 points, and the match will be awarded to the opposition (3 points and a result of 3-0).

23.3 Any team failing to honour fixtures three times in any one season shall be relegated for the following season.

23.4 Any team facing relegation from the league shall have the opportunity of a hearing as set out in rule 4.6.

24 League order, promotion and relegation

24.1 Three points will be awarded for a win and one point for a draw in all league matches. In the event of teams being level on points at the end of the season, places shall be determined by consideration of the following in order:

Your attention is drawn to the following official guidance for Technical Delegates (**TDs**) and (**MDs**)

- The general bench area is the area between the two 22 metre lines alongside one of the touchlines. Each team's own bench area is that between the halfway line and the nearer 22 metre line.
- In addition to the TD, only players and team officials listed on the team sheet are allowed in the bench area during the game.
- Team officials may not leave their bench area during the game except for half time team talks, to deal with injuries, or to escort a player from the playing field.
- Ideally seating should be provided with a sensible distance separating the teams.
- Substitutes should remain within their bench area during the game except for half time team talks.
- Where possible, the bench area should be on the touchline that is furthest from the entrance to the playing area. Organised in this way, spectators are more likely to head for the nearer, unused touchline.
- Always refer to any more specific rules and regulations for individual competitions for instructions regarding *TDs/MDs*

#### 1. **General**

Delegates are responsible for ensuring that the regulations of the NHA competitions are carried out. It is important that the delegates are conversant with the relevant rules and playing regulations for any matches that they are appointed to.

#### 2. **Prior to the match**

- I. Delegates should arrive at the ground at least one hour before the scheduled start, or earlier if there is likely to be any doubt regarding the fitness of the pitch.
- II. Delegates should make themselves known to the umpires, team managers and captains.
- III. Delegates should check the playing area, the goals, nets, corner flags, team benches, pitch markings, technical table and sin bin chairs/area, and ensure

that the home team carries out any repair work necessary. Ensure pitch surrounds/run-off are clear from obstruction.

- IV. If there is a doubt about the fitness of the pitch, the delegate, in consultation with the umpires and team officials, makes the final decision as to whether or not it is fit to play. (Once play has started it is the responsibility of the umpires to decide if a pitch is fit for play to continue.)
- V. Delegates should obtain teamsheets.
- VI. If one or both umpires fail to arrive, the delegate should take necessary action following the rules of the competition.
- VII. The delegate should confirm with the umpires who will be responsible for timing any suspensions and returning players to the pitch at the end of their suspension.

#### 3. **During the Match**

Delegates should remain in the vicinity of the team benches.

- I. It is the responsibility of the home club to steward any spectators, and delegates should ensure that this is done. It is beneficial if the team benches are on the other side of the pitch to spectators, unless there is a fence separating the spectators from the benches.
- II. Delegates should ensure that only those persons entered on the teamsheets occupy the team benches and stay in the vicinity of their bench. Warming up by players should take place between the team bench and the nearest corner flag.
- III. Delegates should record on the match sheet the starting XI of each side, with GK and Captain marked, the first time on to the pitch for each substitute, the goals, and cards given, and the full-time result.
- IV. Delegates should supervise the rolling substitutions in accordance with the Rules of Hockey.
- V. If a player is given a green card (2 minute suspension) or a yellow card (minimum 5 minute suspension), delegates must ensure that the player remains in the designated place (by the centre line) for the duration of the suspension. Team officials may not converse with the suspended player, who should remain quiet. The umpire, or delegate, as previously agreed, will signal when the player may go back on to the pitch.
- VI. The delegate should ensure that any player given a red card is escorted out of the playing area.

#### 4. After the Match

- I. The delegate should ensure that players do not approach the umpires in an aggressive manner.
- II. The delegate must ensure that all relevant personnel sign the match sheet immediately after the game.
- III. The delegate should enter any comments on the match report.
- IV. The complete match report and teamsheets should be returned to the home club's team representative without delay.

#### 5. Delegates match pack

Delegates are advised to take the following items with them to matches:

NHA Handbook  
Current Rules of Hockey

## NHA Guidance Notes for Pitchside Conduct

It is the responsibility of the clubs to ensure that good manner and courtesy prevails towards the opposition, umpires and other officials before, during and after the game.

Once the pitch is available, the Match Delegate (if appointed) or Home Captain shall assume authority for the pitch and its surrounding area.

Clubs are advised to ensure that they have adequate insurance cover and that they are aware of local health and safety regulations regarding the pitch and facilities.

Captains and/or Match Delegate (if appointed) should:

- Agree with the umpires the location of managers, coaches, substitutes and suspended players during their suspension and from where substitutions will take place.
- Satisfy themselves and the umpires as to the quality and safety of the pitch and its facilities and ensure that other pitch side furniture is removed to its safest location.
- Check the availability and location of an emergency telephone and first aid.
- Agree the location and allowed proximity of spectators.
- Ensure that substitutes should warm up in clothing in a colour other than the participating teams in the agreed area of the pitch side.
- Ensure that coaches and managers remain in their designated area.
- Ensure that vocal communication by team officials and players on the bench is not, in any way, directed at the umpires, *Match Delegate* or players of the opposing team.

- Captains, coaches and managers should be responsible for their own conduct and the conduct of their players at all times.

Contravention of these Guidance Notes should be included in any match report and umpires are urged to report any abuse of them to County League/Tournament officials.
