

Treasurer's Report - September 2020

I am pleased to present the Annual Accounts for the Association for the period ended 31st March 2020

Our Income increased to £22270 and our Expenditure was £20968 leaving us with a surplus of £1572

Once again our Performance Centre activities produced another surplus and our Reserves remain in a very healthy position.

The Executive Committee have discussed whether or not to charge Clubs the £14-00 levy this season in view of the ongoing Co-Vid 19 Pandemic and the pressure that Club Finances may face. However since this amount is insignificant to any individual club we felt that it was more appropriate to maintain the charge for the coming season rather than reducing the Association's income by 50%.

We are continuing to face demands to support various activities – Masters Hockey - Umpire Development – Provision of Technical officials and Indoor Hockey and therefore the Executive recommend that the levy remains at £14-00 per team.

A.O Moore
Hon Treasurer
